What is Vista RDC?

- Vista Remote Data Capture system is a **web-based data management application** for site staff to:
 - enter data into the case report forms (CRFs) by site staff,
 - edit previously entered data,
 - send data to the EORTC HQ
- The application runs on most standard internet browser (e.g., Google Chrome, Firefox, etc.)
- Go to the [user guide website](#) for more information on system requirements and general guidelines.

How to login?

Vista RDC

Username

Password

Log In

Forgot your password
Change your password
request username

Documentation
Samples website
EORTC website

Enter your ORTA* username and password**

An automatic e-mail will be sent to you allowing you to **reset** your password

Opens the password changing screen

Opens the EORTC account request form

Shortcut to general user guide website

Shortcut to SAMPLES

Shortcut to the EORTC homepage

*On-line Randomized Trials Access (**ORTA**) credentials are sent as automatic e-mail message from Randlog@eortc.org to your inbox (or spam folder).

First time login will prompt you to **immediately change your password; afterwards, you are asked to update **every 3 months**. Do **not** use accents in your password.

How to navigate within Vista RDC?

Pop-up screen showing StudyWebDoc

Select your study from the dropdown list

Total number of patients and overview outstanding actions

Institution identifier linked to the User

List of enrolled patients at your institution

Search your patient by using the SeqID field in the navigation panel or simply select from the list.
