

François Houyez

European Organisation for Rare Diseases (EURORDIS), Belgium

François is a patient advocate since 1989, first in HIV/AIDS, and in rare diseases since he joined Eurordis in 2002, where he is Director of Treatment Information and Access.

He has been involved in HTA since 2010 (EUnetHTa joint action 1) and represents Eurordis both at the European Medicines Agency and at the HTA Stakeholder Network.

He is member of the Get Real institute Executive Board.

François is also a patient.
